

Using Quicken in Online Banking

Questions about Quicken Use?

If you have questions or concerns, please [contact your local Anstaff Bank location](#) or call **800)445-5745 or (870)438-5214** during regular banking hours.

You may also contact us online by [email](#).

Quicken User Information...

How to update and download your account information to your current Quicken account after our Data Processing change on June 8, 2014.

Please complete these steps within your Quicken Account:

Click on "Account Edit,"

Next click "Online Services" on the second tab.

Now Click "Activate Quicken."

To complete the activation, you will need your Internet banking username, password, and answers to your security questions.
